

PRODUCT INFORMATION SHEET

Cable cutting pliers

Description

Pliers for stripping and cutting single- and multi-core copper and aluminium cables, for working with medium and heavy loads.

Characteristics

- made of high quality SK5 steel
- for cutting cables up to 10.5 mm in diameter
- profiled cutting edges to prevent conductors and cables from slipping out while cutting
- sturdy cutting edges for precise cable cutting
- hardened and precision sharpened
- durable, resistant to deformation
- rebound spring
- bi-material, profiled, anti-slip handle for comfortable grip and use of the pliers
