

## PRODUCT INFORMATION SHEET

### Cordless Mini Grinder

#### Product description

Cordless mini grinder for drilling, sanding, polishing, milling, engraving, cleaning etc. For processing wooden and metallic materials, plastics, minerals, glass and ceramic products. For both professional and hobby use.

#### Charakteristics

- 3 speeds of 5000/10000/15000 rpm enable convenient operation and better control;
- safety function – the grinder automatically switches off when the material is wedged;
- Mabuchi motor and high quality bearings guarantee a long life;
- powerful lithium-ion battery;
- spindle lock allows quick and easy tool changes;
- small size of the device and the lack of a plug allow you to reach inaccessible places;
- 11 additional accessories included.
