

## KARTA PRODUKTOWA

### ABENS Hi visibility rain trousers yellow XL (54)

#### Opis Produktu

Men's high-visibility rain trousers made of the highest quality materials. They are distinguished by lightweight and air permeability, they ensure maximum wearing comfort. They protect against rain (water resistance at the level of 2000 mm H<sub>2</sub>O) and wind. They increase safety when staying in conditions of reduced visibility, e.g. during movement at night and during bad weather conditions, e.g. rain or fog. The yellow colour of the product is aimed at industries in which employees must be visible, for example people building roads, streets, refineries, people working in ports, on oil rigs, at mining shafts, airports or mountain rescue.
