

Protective shoes, S1P, SRA, size 42

Opis Produktu

Men's protective shoes in accordance with the S1P safety class ISO 20345:2011. Footwear made of nubuck leather providing convenience and comfort of use. The fashionable and universal black color with green accents suits many outfits. The shoes are equipped with a composite toe cap. Due to the anti-slip sole (anti-slip properties, SRA category), the shoes are perfect for walking on uneven and slippery surfaces. Shoes recommended in the logistics, transport, automotive industry, renovation and construction works. They are perfect for indoor works (e.g. halls).
