

KALMIT protective jacket light grey 2XL (56)

Opis Produktu

Carefully made men's protective sweatshirt. High-quality materials and strong weave provide durability and high comfort of use. 100% cotton protects against excessive sweating and discomfort, it does not discolour or pilling. In addition, technical cut does not restrict movement. Reflective details allow to increase work safety in the dark. Sweatshirt is available in fashionable light grey colour with blue accents and in a wide range of sizes (from S to 3XL). Perfect for production and construction workers. Also recommended for fitters, service technicians and technicians.
