

## KARTA PRODUKTOWA

### Drill for concrete SDS+, 18x260 mm

#### Opis Produktu

Professional masonry drill bits certified by Prüfgemeinschaft Mauerbohrer e.V. (PGM), designed for boring in brick, stone, ceramics, concrete, and reinforced concrete.

#### Charakterystyka

- Widia drill bits certified by a German institute ensure extremely efficient performance of the drill in the hardest of materials;
- specialist vacuum technology of automated welding of cemented carbide (widia), using pure copper;
- head profiled for improved evacuation of bore dust and reduction of boring time;
- deep volute for fast evacuation of bore dust from bored holes and jamming of the drill bit.
