

PRODUCT INFORMATION SHEET

JURAL polycotton Hi-visibility T-shirt

Product description

Hi-visibility JURAL T-shirt is made of high-quality cotton and polyester. The right selection of fabric makes the T-shirt breathable and pleasant to the touch. Loose cut does not restrict body and provides full freedom of movement. The T-shirt has short sleeves and a round (U-shaped) neckline. The T-shirt has 2 reflective tapes around the body and 2 reflective tapes on the shoulders that ensure visibility in adverse conditions. The tapes have been printed using the thermal transfer method, which ensures their durability and increased resistance to mechanical damage. Yellow protective clothing has wide application in road transport, industry and services.

Characteristics

- knitted fabric: 65% polyester 35% cotton;
- material weight 180 g/m²;
- product compliant with EN ISO 20471 standard class 1;
- hi-visibility printed tapes;
- application in industry, road construction and services.
