

WARNOW safety shoes RIPSTOP S1PL SR FO black/blue 44

Opis Produktu

WARNOW men's protective shoes conforming to PL class according to ISO 20345:2022 standard. High-quality workmanship provides convenience and comfort of use. The main advantage of the footwear is the anti-puncture insole made of Kevlar. The shoes are equipped with a composite lightweight toe cap that protects the toes of the foot, e.g. against falling objects, debris, tools. Thanks to the anti-slip sole, the footwear is perfect for walking on uneven and slippery surfaces. Shoes recommended in the logistics, transport, automotive industry, renovation works. They are perfect for indoor use (e.g. halls).
