

Battery impact wrench 400Nm

Opis Produktu

The 400 Nm cordless impact wrench with replaceable battery provides freedom of operation regardless of access to the electrical or pneumatic network. It is perfect for work in car and vulcanization services and mechanical workshops, as well as on construction sites for assembly works. Equipped with a new generation brushless motor to meet the highest challenges. Packed in a handy and durable case for transport and storage of the device.

Charakterystyka

- brushless motor
- Durable aluminum-composite housing
- spindle 1/2"
- power range 200/300/400 Nm
- rotational speed 1600/2000
- /2600 RPM
- number of strokes 1800/2500/3300 IPM
- voltage 20 V
- 4.0 Ah battery,
- Charging time 1 hour
- screw range M10-M20
- LED lamp for illuminating the working part
- light and well-balanced centre of gravity
- 3 speed control
- left/right rotation switch with stepless adjustment
- 3 LEDs indicating battery level
- contoured, non-slip ergonomic handle for safety and comfort of work
- practical handle for belt clip
- possibility of using a backup battery – HT2E210.
